Bahram,

Let us know what you have in mind regarding case management between the Santa Clara and Federal actions – we are open to whatever thoughts you may have, but let us know if there was something specific you were contemplating.

With regard to your January 8 letter, our clients are aware of and are abiding by their preservation obligations. On the issue of representation, we represent all defendants (as we indicated to you before), and we are authorized to accept service on behalf of the Delaware Temujin Labs entity. We were in fact in the process of returning the service waiver when we learned that Temujin Labs DE had been served through its DE agent. We intend to move to dismiss on behalf of Temujin Labs DE, and are happy to discuss a mutually agreeable briefing schedule (perhaps that is the case management matter you wanted to discuss). Thanks.

**** EXTERNAL EMAIL ****

Felix and Jennifer –

Is it your plan to ignore the questions raised in Bryan's January 8 letter? Separately, we should discuss case management between the Santa Clara and federal actions. Please let us know when you're free to do that.

Thank you ,
Bahram
